

RED MOUNTAIN RANCH
COUNTRY CLUB

Supper Club

DO YOU LOVE FOOD?

This fall we are excited to roll out our new Supper Club that will feature a 3-4 course dining experience with wine pairings served in the Overlook Dining Room. Supper Club members will be able to indulge their palates weekly with cuisine and wines from regions around the world. Each of these special evenings will include light entertainment, cocktails and appetizers, main entrée with tasty accompaniments followed by a scrumptious dessert. Wine vendors will visit periodically for tastings and opportunities to purchase wine at preferred prices.

The Supper Club will have a minimum of 150 individuals who pay \$300 to the Club. This amount is a prepaid credit toward food and beverage purchases during Supper Club dinners. The dinners will be offered on a weekly basis November thru April. In order for the Supper Club to be established, we will need the minimum number of commitments by September 15, 2010.

Members have been saying for quite some time that they would like a consistent and delicious opportunity to enjoy the spectacular views and ambiance of the Overlook Dining Room. The owner, management, and culinary staff are committed to providing this experience but only with your pledge to participate. To join in on this culinary adventure, contact Marian McGill at

480-981-6501 x111 or mmcgill@rmrcc.com
